

Our School Council Report To Governors Spring 2023

“

Ready, Respectful,
Safe!

”

What we love about being on the school council...

1

“That people think I am responsible, organised and have lots of ideas.”
Aalilah

2

“It gives me a sense of belonging”
Rhiannon

3

“It gives me the chance for others to come to me and I can help make changes”
Jessica

4

“I like the chance to design all the special things in school like the cup cake sale”
Buddy

5

“Being able to help the school be a even better place (even though it’s already brilliant)”
Idris

Areas of focus

To raise money and awareness for certain charities and support our community (Idris)

Help to make our school an even kinder/safer school

(Aalilah)

Improve 'pupil voice' so that we have more of a say in decisions that affect our lives

Article 12 of the United Nations Convention on the Rights of the Child

(Rhiannon)

How we are getting there

Raising money/supporting our community

We organised the McMillian coffee morning and helped serve in the hall. We raised £298.67

-We have organised Red Nose Day ideas

Buddy

Pupil voice

-We have helped to interview for the office job including deciding on questions and giving feedback

-Each class has now got a suggestion box

We created a pupil wellbeing and safety questionnaire to share across the school

(Y1-6 completed the questionnaires)

Jessica

Kind/safe school

We organised Kindness week (during anti-bullying week) and we sent suggestions for activities to each class

Rhiannon

- Kindness books marks were given out by school council to pupils who were noticed being kind.

- Aalilah

Next steps...

We now need to have meeting to look at suggestions and discuss our actions. To develop leadership skills, it would be great for year 5/6 to take on planning and leading the meetings. We need to look at the responses to the questionnaires and discuss ideas to help make the school an even better place. Aalilah

We need to help Miss Hughes and Mrs Williams plan and organise what the school are going to do to participate in the village coronation celebrations in May. Idris

Agreed areas of focus

Spring 1: wellbeing (including attendance) and pupil safety/break times (buddy)

Spring 2: pupil voice in school policies (Buddy)

Summer 1: homework (Jessica)

Summer 2: clubs and visits (Jessica)

Thank you

Malpas Alport School Council
