

# Creative Choice Homework Menu

## Autumn 1 - Oak and Ash class

### Your 'Must Do' Science Task

As our current work in Science is focusing on light could you:

- Investigate how shadows are formed and what might cause shadows to change

#### Ideas

You could:

- Make a shadow puppet theatre
- Investigate how the size of shadows change throughout the day
- Conduct a scientific investigation on how different materials affect shadow formation.

**You can present your work however you like but you MUST explain how shadows are formed.**

### Choice 1—Art/Geography

Can you create your own map collage representing some of the features of a chosen country or continent?

Could you create digital postcards showcasing different landmarks around the world?

***You could present your work on paper or the computer***

### Choice 2—PSHE—Wellbeing

Could you head out on a walk in a natural setting such as a park or garden?

#### Ideas

- take photos or record videos of things you find beautiful or interesting during you walk.
  - Create a short video montage
- Draw a picture and think about different types of line to make your drawing. If you add colour will you use warm colours (reds, oranges, yellow and browns) or cold colours (blues, greens and violets) ?
