

What have we been learning this week?

Week beginning 02/09/24

A warm welcome to everyone returning to school after a wonderful summer! We have welcomed all children this week with energy and enthusiasm for helping us develop those great relationships. We have been so very proud of all your children and how well they have settled in this week.

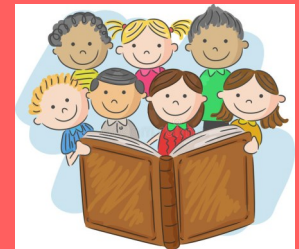

Rhyme of the week- **Hello Hello**

Word of the week- **after**

*Note—We have tried welcoming everyone via the 2's room door this week (to enable our children to play outside sooner) and this has worked well. Please continue dropping off via the 2's room and collecting from the playground door. Thank you

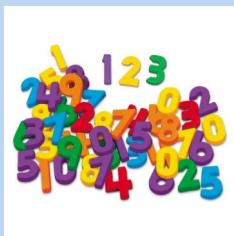

Literacy

We have been reading what the children enjoy this week and will soon be starting a Gingerbread focus this term.

Math's

We have begun singing number songs and will be having math's offered to the children daily in different areas of the nursery.

Next Week

Our focus next week will continue to be on ensuring every child is given time and support to settle into setting. We will introduce the Gingerbread man topic and will be painting ready for 'International Dot Day'

Book of the week- **Wonderful Me**

Rhyme of the week- **Circle song and Humpy Dumpty**

Word of the week- **all**
