

# What have we been learning this week?

Week beginning 16/09/24

What a busy week, we have been caring for the flower beads in the garden. We have begun building a bug hotel. We have made and eaten our delicious gingerbread men and went on to make Gingerbread playdough. We had our family come into setting on Friday to see our Dot display and meet all the friends we have been talking about.

Book of the week- **Peace at last-** linked to identifying sounds game

Rhyme of the week- **wind the bobbin**

Word of the week- **around**

## Literacy

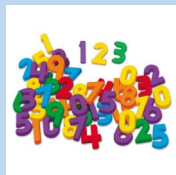

That cheeky gingerbread man made a video of him going on an adventure around our school; we made and put up posters to find him.

## Math's

We have been recognizing shapes this week with a big emphasis on circles. We gave the gingerbread man one nose, two eyes and three buttons.

We have been threading patterns and comparing sizes of circles in class.

## Next Week

Our children will be making sunflowers for the Harvest festival at St Oswald's Church. We will be mixing colours together and discussing what happened. We will set up a small supermarket in the home corner (we would welcome any package donations) we will be making shopping lists and doing different jobs; a baker, a shop assistant, a teacher.

Book of the week- **Colour Me**
