

What have we been learning this week?

Week beginning 14/10/24

This week we have been making music shakers to sing and shake with to nursery rhymes. We have had lots of fun making a sensory rich farm and listening to animal sounds and guessing the animal. We made and ate porridge this week and honey on toast. There has been some great role play with cars and building roads in partnership with friends.

Literacy

This week we read all of the gingerbread man and made our own storie maps; making refer-
ence to places
we know.

Math's

We have been colour sequenc-
ing this week in free flow
play. We have been identify-
ing shapes in the environment
and playing hide and seek
(counting to 10). We
have been ordering
the sizes of pump-
kins.

Next Week

We are going to have a fun filled week of making cakes, dancing and reading silly stories of the children's choice. We will be designing and making cakes; in junk modeling and with real ingrediencies, who will win the cake competition? We will use puppets to tell stories.

Tuesday the 22nd of October we will have a Fancy Dress party and play party games; please feel free to send your child in anything they want to wear! We welcome any donations of foods for the children. Thank you!
