

# What have we been learning this week?

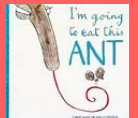

Autumn 2—Week beginning 9/12/24

Wow what a fun filled term we have had! This week we wrote cards for our family's and played with repetitive patterns on Christmas tree's and jumpers. We played with spiced cookie playdough and wrapped presents for under our tree. On Wednesday we had our Christmas dinner and had a magical visit from Santa!

Book of the week- **Dear Santa**  
Rhyme of the week- **Christmas Songs**  
Word of the week- **First**

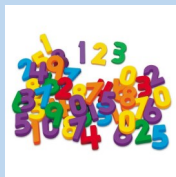

## Literacy

This week we finished reading this terms book and were glad that the clever ant's did not get eaten. We read words together going from left to right.

## Math's

We have been making patterns and sequencing items on Christmas tree's and jumpers this week. We used 'now' and 'next' in context and looked for patterns on the things we wear and on wrapping paper.

## Next Week

Our final week of the year! We will be having lots of fun and cannot wait to welcome you all for our sing along show on Thursday the 19th at 2:30. We will re-visit favorite stories and ask what does Christmas mean to you and your family? We break-up on Friday the 20th and wish you all a very merry Christmas.

We return to school on Monday the 6th of January 2025.

Book of the week- **Children's choice**  
Rhyme of the week- **Christmas Songs**  
Word of the week- **Recap on this terms words**
