

What have we been learning this week?

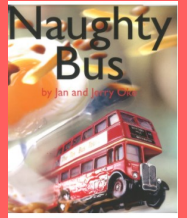

Spring 1—Week beginning 13/1/25

We received a parcel from Paddington on his travels, we worked out he had sent the parcel from London; it was a double decor bus toy. We created boats in the water area and asked what floated and what sunk? On Friday we made a bird hide in the garden, ready for the great British birdwatch next week.

Literacy

This week we read a post-card from Paddington about London. We looked at our terms book and asked what it could be about?

Math's

During our morning math's this week we have been showing an amount with our fingers. We also have been counting to 10 and 20 pausing at significant numbers. We have been counting jumps, pegs and each other.

Next Week

Next week we will be doing the Great British Birdwatch and will be making bird feeders for putting in the garden. We will be watching the birds and identifying some different types. We will be recalling the bear hunt and asking the children to re-tell the story. We will be monitoring vehicles that pass school. Finally we will be comparing where we live to London.
