

What have we been learning this week?

Spring 1—Week beginning 20/1/25

We set up a hide in the garden for birdwatching and learnt about different types of native bird; the pigeon, sparrow and robin. We made bird feeders and placed them where we could see in the garden. We had fun re-enacting the 'Bear Hunt' book and created our own dens under tables. We have been watching and recording cars that pass. The children are growing in confidence when talking about London. This week we focused on what we can 'see' and what we can 'hear'. We have sent home binoculars for you to continue birdwatching at home with your child.

Book of the week- **Brown Bear Brown Bear**
Rhyme of the week- **Five little monkeys jumping on the bed**

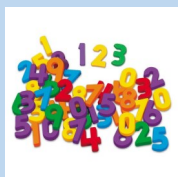

Literacy

This week we read the **Naughty bus**; the children were asked if they were good drivers? We spoke about our adults that drive and enjoyed 'Don't let the pigeon drive the bus'.

Math's

During our morning math's this week we have been counting items to find the total number. Once we could identify groups of items amounts Mrs. Jones played tricks on us mixing them up.

Next Week

Next week we will be creating beautiful street maps of London inspired by the artist Wassily Kandinsky. We will be joining Foundation children in the main hall on Wednesday for a Chinese New Year crafts and dance time. We will taste different Chinese foods and measure the length of noodles. We will explore the trim trail this week. For math's we will be counting food items and asking the children to group them.

Book of the week- **This Bus is for us**
Rhyme of the week- **Down at the Station**
Word of the week- **Heavy**
