

What have we been learning this week?

Spring 1—Week beginning 3/2/25

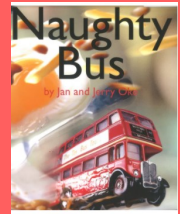

We have been creating our own double-decker busses and imagined different places our bus was going to . We created our own happy and sad colour monsters. On Friday we made a fire and learnt about fire safety, we warmed marshmallows over the fire. we also practiced our fire drill. The children noticed the birds needed more food so we have put some more bird feeders out in the garden.
